

WECF presents: CLEEN energy has changed our lives

WHEN & WHERE

June 21, 2017 from 1.30 - 3.00 PM

Confederatie Bouw, Brussels

CLEEN
Civil society Local Energy Efficiency Network

CLEEN energy has changed our lives

AGENDA

CLEEN (Civil society Local Energy Efficient Network) is a 3-year EU-funded project aiming to build a strong partnership of civil society organizations (CSOs), Armenia, Georgia, Moldova and Ukraine.

Concrete good practices will be shown during this event, which is organised as part of the EU Sustainable Energy Week

Moderator: Chantal Van den Bossche, WECF International

• Film from Ecoclub, Rivne, Ukraine

• First presentation: CLEEN approach and success stories towards public participation and energy efficiency - by Katharina Habersbrunner, CLEEN/WECF

• Second presentation: Energy cooperatives in Eastern Europe: Best practise, lessons learned - by Johanna Eichermuller, CLEEN/WECF

• Discussion about CLEEN and cooperatives to meet global obligations for gender equality like SDGs No 5 and cross-sectional functions and Lima-Work-Programme on Gender

• Coffee & networking

Confederatie Bouw
Rue du Lombardstraat 34-42
1000 Brussel / Bruxelles
